Dates to Remember:

Sep. 12 - Progress Reports

Sep. 16 - Student Half Day

Sep. 29 - Oct. 7 - No School

Hello Grade 2 Parents!

Ticket Tally for Grade 2!

This is the Ticket Tally mark counter we have posted in our classroom. The students can see their progress and practice reading tally marks as well. They are working on earning their second train car now!

The students did an excellent job filling in the initial entries on our classroom Word Wall. The students took turns choosing letters and thinking of words that began with those letters. Once each student had their words ready, they wrote them down and drew a picture to go along with the word. This is a great exercise for all students, and especially ELL students. We will add to our Word Wall throughout the school year.

Grade 2 has earned their first train car for their Mindful Heart Train! The Mindful Heart Train will grow longer throughout the school year as the students continue to earn ESLR tickets for their class. We have an ESLR Ticket Tally chart up in the classroom so the students can monitor their progress. When the class earns 20 ESLR tickets, we have a celebration and put up the next train car. The students can also earn individual ESLR tickets to get their own special prizes.
