Sep. 29 - Oct. 7 - No School

Oct. 15 - Student Half Day

Oct. 17 - End of Quarter 1

Yearbook Pictures After Vacation

When we come back from our vacation in October, Grade 2 will be getting their school pictures taken. Parents, if you want your child to wear something special for their yearbook picture, we would like you to be able to plan ahead. Grade 2's pictures will be taken on Wednesday, October 8th, 2014, the first day back to school in October.

Hello Grade 2 Parents!

The school year is going by very quickly, and the students are learning a lot! We have learned about many different countries and cultures in Social Studies, our bodies and senses in Science, and place value and skip counting in Math. The students also had a great time learning how to become better swimmers with Mr. K in PE! Visit the Grade 2 website for a blog post with pictures from swimming! – qissgrade2.weebly.com/blog

The students have enjoyed a new addition to our classroom routine called Calendar Math. The students take turns fixing the date, labeling yesterday, today, and tomorrow, and adding days in school. We have also been using the Estimation Jar to practice our estimation skills. The students can also practice making their own patterns, and some days we also Pick-A-Problem to solve together. It's a great way to get the students engaged and thinking to begin our school day!
