## March 2015

### Dates to Remember:

Mar. 9 - ASAP 3 Begins

Mar. 21 - Science Fair and  
Q3 Key Assignments

## New Student in Grade 2!

This week a new student joined the Grade 2 class. Her name is Grace Tian, and she is very nice. All of the students are happy to have a new classmate, and we are lucky to have a wonderful new student like Grace. Welcome to QISS!

## Hello Grade 2 Parents!

The QISS Lower School received an awesome surprise this week. Grade 3 teacher Mrs. Kumbier organized a session with the *Skype Inspires Literacy* program, where published authors read their books to children around the world. Author Paul Czajak met with us to read his books *Monster Needs His Sleep* and *Seaver the Weaver*. The students were able to ask him questions about his books and about being an author. This was an incredible opportunity for the students. A big thank you to Mrs. Kumbier and author Paul Czajak for this event!

In Math class Grade 2 has been learning about rounding and estimating. Rounding is an important skill that allows students to estimate answers very quickly. The students are doing a great job learning to round numbers to the nearest ten, hundred, and even the nearest thousand!
